

Eventually...distill into tests

# Eventually...distill into tests

## Feature: Checkout

In order to keep an inventory of our media  
As a librarian

I \*want\* to be told the \*\*due date\*\*  
and \*\*status\*\* of media after \*checkout\*

### Name

The name of the  
scenario we're  
exploring

## Scenario: Children's books

Given the current date is 5/22/14

And the name of the media is Cat in the Hat

And the availability is Avail

And the type is Kids Book

When the book is checked out

Then the availability should be Checked Out

And the due date should be 6/5/14

And the message should be Success

### Preconditions
