INSTRUCTIONS TO FORM TEAMS

Stand next to a pod to join that team

1. Each pod must have a team
2. Team size 4-7 people
3. Every team must have at least 3 people that feel confident as coders in the same language (Java, C#, or Python)
4. People from the same Wells Fargo team should stay together

Not sure which team to join?

Mill about. Talk to people. Ask questions.
